

KEYINGHAM PARISH COUNCIL

FORWARD

April/May 2022 No 82

By Villagers for villagers

KEYINGHAM VILLAGE PLAN STEERING COMMITTEE

Spring is officially here! The clocks have ‘jumped’ forward so the evenings are lighter. The snowdrops and daffodils are past their best but the horse chestnut’s ‘sticky buds’ are busting into life.

However Covid has not gone away, the terrible war taking place in the Ukraine and the rise in the cost of living are all giving cause for concern.

Let us hope for better times ahead and while doing so think of others that are worse off than ourselves. As we have seen over the last couple of years, we live in a great village and with people who are prepared to help their neighbours. Let’s continue to help others and look after our village.

Horse Chestnut buds Boyes Lane Recreation Field.

Erratum:

In the last issue of the Forward (no:81 page 4) it was stated that ‘.play equipment was donated by Ralf Builders LTD.’ This should have stated Ralph Builders Ltd. I apologise for this error and any upset caused.

Parish Council Round Up

Road Safety in Keyingham

Council members were very disappointed to receive notification that the public meeting scheduled for the 26th March to be hosted by ERYC Highways and Planning Teams would need to be rearranged due to illness.

Members were looking forward to the long-anticipated presentations of the proposed plans for adaptations to the crossing at the heart of the village and accompanying signage, road markings and speed restrictions to address the serious concerns regarding safety of all road users.

The Parish Council have been assured that this meeting will be rescheduled as soon as possible and will be publicised widely as soon as the arrangements are notified. A letter of apology from Paul Tripp, ERYC has been reproduced in full on page 4.

Keyingham Primary School Student Council

Tree planting to be carried out by members of the Student Council, as part of the 'Queens Green Canopy' initiative which was sched-

uled to take place on Tuesday 29th March had to be rescheduled due to illness. The project has been rearranged for 26th April - look out for the photographs in the next copy of the 'Forward'.

Allotments – plots available

At the beginning of the new 'gardening year' the Council were pleased to be able to offer allotments to a small number of 'new gardeners' who are just beginning to get to grips with their plots and gather helpful advice from fellow 'allotmenters'. There are still 2 plots of land available for rent so if you think you may be interested in trying out this very healthy and rewarding pastime please contact the Clerk for more details.

Marritt-Ombler Foundation. Charity Number 510540

At the March meeting of the Parish Council members elected new representatives to serve as Trustees for the Marritt Ombler Charity.

The Charity was registered with

the Charities Commission in 1980 to help people under 25, including people with disabilities, living in, or educated in Keyingham, with education and training, sports and skills and to further their social development. The Charity draws its income from donations, interest from investments and rent from land.

Examples of the types of support include help with travel to University or College, specialist education and training, learning materials and equipment. The Trustees would like to encourage people to consider applying to this fund and will give careful, individual and confidential consideration to each application.

Application forms can be obtained by contacting the Parish Clerk or Mr Mark Ward, correspondent for the Charity.

Parish Council Meeting

The next scheduled meeting of the PC is 7.00pm on Tuesday 19th April 2022 in Keyingham Village

Hall (Main Hall)

Public participation is always welcome.

Although there has been relaxation of restrictions we also acknowledge the recent resurgences in Covid cases which thankfully have been milder in most instances, so we would be grateful if you would please continue to follow social distancing guidelines in confined spaces to help reduce the spread of the virus.

The confirmed minutes of Parish Council meetings are posted on the PC website:

<http://keyinghamparishcouncil.co.uk/>

Julia Billaney, Parish Clerk

 01964 626300

Coronavirus (COVID-19)

The government has removed remaining domestic restrictions in England. There are still steps you can take to reduce the risk of catching and spreading COVID-19:

- [Get vaccinated](#)
- Let fresh air in if meeting indoors, or meet outside.
- Consider wearing a face covering in crowded, enclosed spaces

Public Meeting – Road Safety in Keyingham

Although the meeting scheduled for the 16th March in the village hall was organised by the East Riding of Yorkshire Council, it was left to the Parish council to notify the public that this meeting had been cancelled. The information from ERYC regarding the cancellation was received only hours before the meeting was due to take place.

Below is a copy of the correspondence received by the Parish council.

At this time we do not know when the meeting will be rearranged! Meanwhile the parish council will continue to press ERYC on the topic of road safety within the village. We will advertise the details of a public meeting on the Parish website: keyinghamparishcouncil as soon as we are notified.

Dear Members of the Parish Council

I write to apologise on behalf of the Council for not being able to attend our meeting, which was planned for 16 March. I understand it caused inconvenience and I am particularly sorry to those who had made special arrangements to attend.

Whilst I am unable to provide information of a personal nature, please be assured that there were significant and unexpected reasons, which prevented us from attending.

Because of continuing absences, I do not yet have a date we can confirm with you to rearrange our meeting, however, as soon as I am able to, we will arrange it through the Ward Councillors as before.

Regards
Paul

EAST RIDING
OF YORKSHIRE COUNCIL

Your East Riding... where everyone matters

Boyes Lane.

Thanks must go to the Friends of Boyes Lane who have been very busy down on Boyes Lane Recreation Ground . The area in the centre of the field has been planted with wild flower seeds. In a section of the trees at the bottom of the field, the undergrowth has been removed and bulbs have been planted. Trees have been planted around the field and rabbits permitting they will, in a few years help to attract more wildlife into the area.

Nesting boxes have been placed on some of the mature trees and a new 'Owl box' has been erected on the existing pole.

Thanks must go to the people who are helping to improve the

Tesco Support Village Scouts and Cubs

1st Keyingham scouts and cubs secured a £1000 grant fund from Tesco for outdoor activities to get people back together in covid times. This enabled 20 Cubs and Scouts the chance to have a go at Go Karting , Paintballing, Cycle speedway and a wonderful yoga session .

Local Information from Police website

(extract from Update From Inspector Andrew Beadman)

Anti-social behaviour is, generally speaking, the younger generation coming together and causing issues. The impact of these incidents on residents and our communities should not be underestimated and I want to ensure people know and understand just what we are doing to combat ASB. *(If you witness ASB then inform the police to ensure that they are aware of the events. Ed.)* Part of proactive policing is engaging

with the communities to try to understand their concerns, and this applies to the younger generations, too. We want to avoid kids in our area slipping into criminal activities, so it is important they feel heard. I enjoy working with partner agencies and making a difference by working together as a team to tackle and prevent issues such as anti-social behaviour.

Queen's Platinum Jubilee Celebrations

Please can I ask for information regarding any events that are being organised by the residents of the village. Contact details are given at the bottom of this page.

Tree planting is taking place around the village as part of 'The Queen's Green Canopy (QGC)'.

A 4 day flower festival to be held in St Nicholas Church 2,3,4 & 5th June. 11 am to 3 pm. Refreshments will be served.

Sunday 5th June 11.30 am Thanksgiving service
1.00 pm the big Lunch to be held in the church ground's. Refreshments, games and fun.

A bring and share picnic. Everyone's Invited remember to bring a chair or blanket to sit on

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.
