Parish Council Round Up - July

Road Safety in Keyingham

As a follow up to the public meeting held on 11th May members of ERYC highways team including two Traffic Management Engineers, the Group Manager for Technical Services and Cllr Claire Holmes, attended the July meeting of the Parish Council. The first hour of the meeting was dedicated to providing further clarification and answering Parish Councillors questions on the proposals previously presented. The traffic management officers agreed to provide analysis of the additional traffic surveys which is now underway. It was agreed that a decision regarding the actions to improve the safety of the crossing, would be taken, based on the outcomes of the second survey and the recommendations of specialist officers.

Keyingham Primary School Student Council

On Friday 19th July representatives of the Parish Council attended a special Assembly led by the Student Council. Year six student councillors read the Student Council Annual Report which they had compiled based on the feedback form each of the year

groups. Student Council members celebrated the successful delivery of projects throughout the year and received a huge vote of thanks from the Vice Chairman, Cllr Mel Smith who commented on how much the Parish Council had enjoyed working with them.

Cllr Smith delivered the Platinum Jubilee Souvenir Pens which were distributed to all pupils, and The Parish Clerk led a very well – deserved round of applause for the work of the Student Council throughout the year. *A copy of the annual report and photo of the members is featured in the centre pages.*

Parish Council Vacancies

Having received confirmation that the vacancies on the Parish Council could be filled by co-option the PC members agreed the co-option procedure.

The deadline for expressions of interest in becoming a Parish Councillor will close at 5.00pm on 8th August.

If you are interested in becoming a Councillor, or would like to know more about the role, please contact the Clerk or speak to one of the Councillors.

Antisocial Behaviour on the Village Green

Over the last two months, particularly during better weather the Parish Council has received repeated complaints regarding persistent antisocial behaviour on the Garth, including noise very late into the night, drinking alcohol and littering. Mr Kellington, our Litter Picker, now visits the area daily and each time there are disturbances in the area the police have been informed.

The Council advises that residents continue to report *each and every incident* to the Police to help build a record of instances as this directly affects the frequency of police patrols to the area. Cllr Hoggard is leading on exploring solutions which include specially designed noise deterrents and altering the layout of the seating and planting. If you have suggestions on how to tackle this difficult and persistent issue please email the Clerk or contact Cllr Hoggard directly.

Cemetery

Due to the persistent problem of rabbits destroying the plants in the troughs along the path the Council will be considering options to try to preserve the planting. Cllr Lawton is leading on exploring options to preserve the beauty of area which is frequently complemented by visitors.

The next scheduled meeting of the PC is 7.00pm on Tuesday 16th August 2022 in Keyingham Village Hall (Main Hall)

Public participation is always welcome.

The confirmed minutes of Parish Council meetings are posted on the PC website: keyinghamparishcouncil.eastriding.gov.uk

Keyingham Primary School Student Council

In September 2021 Keyingham Parish Council began working with the Keyingham Primary School Student Council to help them achieve projects aimed at making play and learning more engaging for all pupils.

The 12 Student Council members worked hard throughout the year enlisting the support of parents and local businesses to 'design and build' new play equipment and re-purposing materials for informal learning.

The Student Council members created a format for reflecting on behaviours and values, taking into account the feedback of each year group which has helped to inform the 'pupil voice' section of the School Strategy.

As part of the Queens Platinum Jubilee celebrations the Student Council members planted trees supplied to the Parish Council under the Queens Green canopy initiative.

We hope you will enjoy reading the Annual Report compiled by the Year 6 Council members who acted as excellent facilitators capturing pupil feedback. Keyingham Parish Council would like to thank all the members of the Student Council for their hard work and commitment throughout the first year of this great partnership and look forward to working with them again in September.

Julia Billaney, Parish Clerk

Annual School Council Report

As school councillors, we help our school become better for everybody. Over the year, we've looked at behaviour around the school and we've completed several projects. Here's a look at what we've gathered.

Our School Values:

In each of our meetings we have reviewed behaviour and attitudes around the school – particularly kindness and how respectful of each other we are. Across the school, the majority of children think we are doing really well in both of these areas. Some children mention arguments between friends and that there are children that shout out in lessons which can cause disruption.

Overall, we think it's looking awesome, but we all can be even better next year!

Courage and curiosity:

Overall, around the whole school, curiosity and courage has been awesome. In some classes, we've even had children doing extra research when they get home! Year 5 have been curious outside of the classroom due to our Forest School lessons, which is amazing. Year 2 have been courageous by learning lots of new vocabulary and are extra curious when it comes to reading! Foundation Stage have been very brave by putting their hand up to answer questions and have been curious by exploring new places and building new things! Everyone has been extremely courageous and curious, it's a thumbs-up for all classes!

Projects:

The Student Council have completed several projects, some of which you may have noticed around the school. The first project was OPAL [Outdoor Play and Learning]. OPAL was where we brought in new equipment and made playtimes more fun for everybody. We've had lots of donations from parents such as the tyres, some timber, suitcases and more. Another project we've worked on is building a sandpit on our school field which we're sure lots of you enjoy playing in. We've played our part in helping the environment by planting trees on our field as well as the playing field. We also made a list at the start of the year of what we'd like to add to our school, including some of your ideas that you gave to the councillors in your class. The good news is, we've completed a lot of things on that list, including the vegetable patches and more equipment!

We all need to say a big thank you to: Mr. Builder, for donating the materials

for our sandpit, and to everyone who donated anything else to help us.

Summary:

Overall, there's been a lot of our values that have been displayed! Everyone in school council feels this year has been a great success with our OPAL project and many other things. Everyone has made amazing achievements, and everybody should be very proud of themselves!

Year Six Student Council Members Keyingham Primary School.

St Nicholas Church

A fantastic 4 day celebration was held for the Queen's Platinum Jubilee. The church was beautifully decorated with flowers and memorabilia provided by the children and adults of Keyingham.

Thank you to everyone who took the time to create some stunning displays and the people who visited.

People were very generous and we collected £536.00 in donations which will go towards the kitchen and toilet fund.

Our 2nd messy church was held on 26th June with a summer holiday theme, great fun was had by all the children (and adults) who attended. Next messy church Sunday 18th September 10.30 with a harvest theme all welcome.

Massive thank you to everyone who brought their spare change to fill the pews with coins at our coffee morning on 16th July. £276.00 was collected.

On Saturday 3rd September 11 am is the day to bring your dog' to St Nicholas for a fun dog show. It's a fun show with lots of different classes. £1 per entry per class. There will be refreshments and a Tombola. Posters with details coming soon.

Meet your officers

Keyingham – 1900 - 2000hrs – play park car park Saltaugh road. Walk around the village. 25 Aug, 27 Sept 2022.

If you are unable to attend you can still contact your local team by e-mailing them at Withernsea@humberside.pnn.police.uk to discuss community issues but please report ongoing incidents via the 101 number.

You can also keep up to date with current events by following us on Twitter @HumberbeatERYS and Facebook HumberbeatERYS

Letters to the editor.

Hi Mel. I wondered if you would have space to put in the next forward the following .

ON 25th June we held our 13th annual Marie curie tea party the weather was kind to us although a little breezy we were all kept busy through out the day and the final total was an amazing £780.00 pounds this now takes the total we have raised to date to nearly £6,500 pounds from our little tea parties I would just like to thank my little band of helpers because without their help it just wouldn't be possible to hold it I appreciate all the support I receive each year by donations raffle/Tombola prizes etc. and the supporters who pay a visit every year.

THANK YOU ALL

Hope to see you all in 2023 xx

Sent you some pictures of street party in St Philips Road. We had 5 singers altogether and a piper really good day and we raised, after paying entertainment £230 for the charity MIND everyone on the road was so kind, donating cakes and money and helping with gazeboes.

Thank you to them all.

Iris

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.
Please keep me informed of up and coming events so that I can include details in the magazine.

All pictures are copyrighted[©]. Copy for the October/November. issue should be sent before September 14th to Mel Smith, 48 Ebor Manor or email Mel.Smith@Moorland.Karoo.co.uk (please put FORWARD as the subject). While every effort is made to ensure accuracy/timings in this newsletter no responsibility can be made for any mistakes, omissions or misinfor-
