FORWARD

By Villagers for villagers

August/September, 2019 No 66

KEYINGHAM VILLAGE PLAN STEERING COMMITTEE

YOUR VILLAGE,

Street Surgery 21st Sept.

East Riding Ward Councillors, Lyn Healing, Dave Tucker & Paul Whitehead will be holding a Street Surgery on Saturday the 21st of September in Keyingham, from 11am until 1pm. We will be opposite the Keyingham Co-op so please come along if you feel there is something, we or East Riding County Council can help you with.

We will be inviting Humberside Police to join us again, so if you have a concern, need help or simply want to come along to say hello please do so, it would be great to meet you. If you cannot make the Street Surgery you can contact us by email councilor.tucker@eastriding.gov.uk or by phone 07730013432

Report of this years FolkFest Page 4

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.

Copy for the Oct/Nov issue should be sent before Sep. 15th to Mel Smith, 48 Ebor Manor or email Mel.Smith@Moorland.Karoo.co.uk (please put FORWARD as the subject). While every effort is made to ensure accuracy/timings in this newsletter no responsibility can be made for any mistakes, omissions or misinformation.

Parish Council 'Round-up'

May and June 2019

May and June have been busy months for the Parish Council, starting with the local council elections on 4th May.

The new council commencing a four-year term in 2019 are:

Cllr David Clark (Chair)
 Cllr Jane Kinnear (Vice Chair)
 Cllr June Clark
 Cllr Dave Dooley
 Cllr Len Haxby
 Cllr Ray Lawton
 Cllr Jed Lee
 Cllr Lesley Maxwell
 Cllr Mike Sigston
 Cllr Melvyn Smith
 Cllr Ray Thompson

There are still vacancies on the council, anyone who thinks they may be interested in getting involved in supporting their local community should contact the Parish Clerk on keyinghampc@outlook.com 01964 626300.

Work is progressing well on repainting of fences of Waudby Garth and those separating the Allotments from Saltaugh road Amenity Area.

The cemetery gates will be the next in line for renovation.

The Council received 15 requests from residents to ask for consideration to be given to the creation of a separate area for dog owners to exercise their dogs and socialise with other dogs and owners on the Eastfield Road Amenity Area. Councillors agreed in principle to investigate

costs and options for this request. The project will continue throughout the summer establishing options and feasibility.

In the meantime, the Council would ask for the support of all users, particularly dog owners, to ensure that the area is not used as a dog exercise area, remembering that a prohibition notice is still in force at this facility.

On 10th June the annual 'Streetscene' Village Walkabout identified the areas for attention by ERYC and the PC.

- * To stop spraying weed killer on areas of planting on verges under trees and around signs
- * Concentrate on spraying weed killer on area between kerb and road, to help keep them clear.
- * Sweep the road, pavements and clean gullies and drains more often, or as often as possible.
- * Repair potholes and uneven pavements
- * Re-paint indistinct road markings (Highways Dept)
- * Repair the garages on Northfield
- * Request that 'Community Payback Team' work on the path between Keyingham and Bridge Bungalows alongside A1033
- * Hedges and trees close to the pavement on Marritt Way were identified for pruning
- * To keep road signs clean and clearly visible

Repairs to the Bus Shelter Outside Horrocks Court were completed and materials ordered for the repair of the Bus Shelter close to Boyes Lane.

Once again, the positioning of tubs and troughs of summer planting around the village have resulted in a beautiful show and plans to increase the number of planters next year have already begun.

The Keyingham Heritage Trail, Blue Plaque Scheme is building momentum and a map of the first tranche of

plaques will be available very soon.

The difficulties we were experiencing in uploading material to the website are gradually being resolved. Copies of the confirmed minutes of PC meetings and electronic copies of the 'Forward' *in full colour* can now be viewed via the website:

Class 10 - Best fancy dress (dog & owner) 1.30 pm

LOCATION

Boyes Lane recreation field, Hull Road, Keyingham HU12 9SH

FolkFest

Keyingham Folk and music festival 2019

The weather was kind yet again for the weekend activities, Friday night saw the regular monthly folk night on the field instead of the Village Hall, most of our regular audience was there and the many regular splendid entertainers. We were graced this year by **SimplyTasty** who provided the bar and pizzas, which was very well received. **SimplyTasty** are a local company from within the village and we hope they become the preferred caterers for events on Boyes Lane field. We had a wonderful stage and sound system this year which made a tremendous difference to the whole experience, this was a sponsored stage and was managed by Dan. Those who attended noticed the marked difference in the experience from last year which was the first time the event was put on. This year we had no distractions and those adventurous children used their imagination for entertainment.

Improvements we have made to the approach road meant pushchairs were in evidence this year. People brought their dogs, chairs and blankets and really entered into the spirit of the day, numbers were up on last year so we have a healthy balance to start next year's event off. Hopefully word will get around that a good day can be had for little money with over 20 live artists and acts to thrill all tastes and ages, many local talented

artists were featured and appreciated. Spread the word about the festival and put it in your diary for next year, plan your day on the field all within walking distance from home. Thank you all for coming and to Compare Andy who manage to keep things flowing through the day. Everyone involved in the event are volunteers, those who prepare the field, those who run it on the day, the artists and performers, marquees are given free and transported free, and it was cheaper than Glastonbury

We will be having a wash-up meeting soon to discuss next year's event and looking to put on other events on the field suggestion so far received are a bonfire and firework display, and some stargazing evenings

Feed-Back

Blooming Great Tea Party for Marie Curie

On a glorious June day we held our 11th tea party for Marie Curie the final amount raised was the magnificent sum of £570 made extra special by the fact this amount took me over the £5000 pound mark that has been raised in the last eleven years I couldn't do it without family friends and our little "A Team" that help on the day so a big massive thankyou to you all see you in 2020. (Sandra Blackman)

D-Day Celebrations at St. Nicholas Church

The D-Day service held on Thursday 6th June was a great success. It was made more poignant by the fact it was Carol Fisher-Bailey's last service at St. Nicholas. Around 50 people attended, we had some lovely readings, Susan Smethurst gave us a very moving account of her father who lived in German occupied Holland during WW2. None of us realized what a terrible time the Dutch people had. Traditional hymns were sung, a really lovely service, followed by lunch. We also held a flower festival with a D-Day theme, with fabulous exhibits adding to the atmosphere. Thank you to all the village organizations and businesses who took part.

People were very generous and a total of £252.45 was donated to the kitchen fund, which now stands at £1108.

Village Show Meeting

June was disappointing as 2 new people attending and offering future support. There will be another coffee morning 21st Sept. in the Rainbow Room 10:00 till 12 noon. Please attend or the show may not take place next year.

Nevil and Glenda Clarke put on an interesting display of war memorabilia including interesting information on Kathleen Stancer who was Church organist at St Nicholas Church.

The display showed the documents which

all people were required to carry during war time. Kathleen has special security documents as she was employed on St Andrew's dock which was under tight security during the war.

The aim of Neighbourhood Watch is to create strong, friendly, active communities where crime and anti-social behaviour are less likely to happen. We hope also to create a caring society that is focused on respect for people and the environment so enabling each one of them to feel safe, free from crime and able to enjoy a good quality of life in safe surroundings. Neighbourhood Watch is about making sure that people feel less afraid, vulnerable or isolated in the community in which they live. If we work together, we can create such an environment here in KEYINGHAM. -- it isn't easy but if everyone plays their part it can be achieved.

- 1) Take all the precautions available to you to keep yourself, your home and your property safe and secure.
- 2) Spare a thought for any vulnerable

person living close to you and give a helping hand where possible.

- 3) Think about the environment and look after the area around your property e.g. garden, hedges, verges.

- 4) Take your litter home, especially dog dirt if you are a dog walker.

- 5) Play an active role in the community by joining and/or supporting local groups and activities.

- 5) Report antisocial behaviour and keep a watch out for anything suspicious and report it to the police on 101 immediately giving as much detail as possible especially of people and/or vehicles involved. Your information could be very important to them.

If you have any concerns about village life please get in touch with the police at the police surgery which is held every month or attend a Parish Council meeting which takes place on the 2nd Wednesday of each month at 7.30p.m. in the Rainbow Room at the Village Hall. The dates of the surgeries are not available at the time of going to print so please look out for posters in the shops and around the village.

The police will be joining your local councillors at their street surgery on the 21st September at 11am opposite the Co -Op in Keyingham.

Local Information from Police website

NATIONAL FIREARMS SURRENDER 20 July - 4 August 2019

Police want to collect as many guns as possible during the campaign. Hand in any unwanted or illegal firearms to your nearest designated police station or call 101 to arrange collection. To receive advice on how best to transport a weapon from home to a police station, phone 101 before travelling.

ENVIRONMENT

We hope you are enjoying the planters. Despite all the difficulties we have had this year I think you will agree with me that all those who helped in anyway are to be congratulated. From the year that has passed so far, with its lack of rain, I must once again ask you if you would help to look after the planters if you have one near your home by giving it some water if you see it needs it.

The hard work for the moment is done and we now look towards late autumn when we will be reviewing the situation as to how many bulbs will need replacing or planted in order to ensure a good display next year.

By the time you read this issue the third batch of blue plaques will be at the manufacturers and then, hopefully, the first walk, which will take you round the south side of the village to 15 places of interest, will be available.

Boyes Lane has lots of interest at this time of year with all the various trees, shrubs, fruit and berries. This is a community area and if you would like to indulge in a little bit of 'pick your own' you are invited to go down and benefit from what it has to offer. Please be mindful of other villagers and only take a reasonable amount. Do not disturb the bee hives as the bees are especially busy at this time of the year. The field is looked after by a group of dedicated villagers who work hard to develop the site and make it more attractive. The work is all voluntary so we must give

our thanks to all those who have made such a difference to the area.

We have many exciting ideas but all of them need people to help to organise and run them. We are fortunate that we have access to the adjoining field to use so we can accommodate a variety of activities. At present we are looking into the viability and practicality of having a car boot sale on the field. This would need quite a few more volunteers who would be willing to help in its organisation, more news will come on this topic when we have enough people who would be willing to be involved. If you want more activities in the village, why don't you put your name forward.

Just ring Ray 623371 for 07934692273.

We need more people if we are to bring all our ideas to fruition - please become one of them and volunteer now!
