Parish Council 'Round-up'

November 2023 – January 2024

Happy New Year! Planning & Development

At the end of 2023 the Parish Council were informed that following a visit to the site by enforcement officers planning permission for development of at the site of Mt Airey farm had been refused. The reasons for this included risk assessments safe removal, transportation and disposal of asbestos and consideration of the protection of Bats and their habitats. The Parish Council have contacted the Case Officer directly to asking to view the risk assessments and be kept informed of the findings of enforcement officers as they make their visits and subsequent recommendations.

Road Safety in Keyingham

At The November meeting of the Parish Council Cllr Sean McMaster was joined by representatives of the Traffic Management and Capital Projects teams to provide direct feedback on the issues impeding the progress of works to improve the road crossing and the siting of safety signage. Within 36 hours of the meeting the road safety sign, which had been approved by ERYC and Keyingham PC to replace the original 'Spare our Children' sign, was installed to the west of the village. Officers explained to the Parish Council that several of the potential improvements to the crossing originally discussed and agreed had proved unworkable as the road and

pavements at this point are too narrow and buildings on either side of the road too close together.

A site meeting to consider the options for any potential improvements is due to take place in the last week of January or first week in February.

CCTV

After several postponements the 3 CCTV cameras in the areas of the Village Green, Saltaugh Road Amenity Area and at the centre of the village near the road crossing are due to be installed soon.

Keyingham Village Hall

Christmas celebrations in Keyingham moved up to a whole new level, thanks to members of the village hall committee and many dedicated volunteers. (see page 6) Many residents joined in the fun as Father Christmas toured the village in his sleigh – accompanied by elves and many folks who had gathered to watch. The Christmas fun day of crafting, films and refreshments was attended by many families – who all enjoyed this fabulous start to Christmas. Sincere thanks to all members of the Village Hall committee, and the brilliant volunteers who continue to work extremely hard to keep the Village Hall vibrant and viable.

Message from the Church Wardens St Nicholas Church.

A big thank you to everyone who gave so generously at the Remembrance service and the Christmas Eve Christingle service in St Nicholas Church. The collection at the Remembrance Day service together with a donation from the church enabled us to contribute £240 to the Royal British Legion Poppy Appeal and we raised £188 at our Christingle for The Children's Society, a national charity that supports and gives hope to children who have it really tough.

Thank You

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village. Please keep me informed of up and coming events so that I can include details in the magazine.

While every effort is made to ensure accuracy/timings in this newsletter no responsibility can be made for any mistakes, omissions or misinfor-

Keyingham Village Hall Christmas Event

We would like to share with you all how and who has made this event possible. The Idea for the Sleigh ride came about from Ed Stephenson Parish Council. This was discussed with Mark Ward Village Hall Committee Chair. Mark had an idea for a Christmas event for the children of the village.

The village Hall Committee agreed it would be great to hold a family Christmas event and to link the two events together. It all took shape over the following months with finding someone to make the sleigh and getting local businesses to donate towards holding the events.

Thanks to Duncan Kirk for time given to making the sleigh and reindeer.

Thanks to Ed for supplying the trailer and vehicle.

Thanks to all the committee members for their time and efforts.

Thanks to the volunteers for all their help throughout. Claire, Wendy, Fran, Helen, Angela, David, Ed, Mark, Ray, Maria to name a few.

Thanks to the local Scouts, Cubs, and members of the community for helping to paint the sleigh.

Thanks to Santa for taking time out of his busy schedule to attend our event.

Without the support and generous donations from the below companies all this would not have been possible.

Howdens Joinery
Keyingham Parish Council
Crown Paints
CEVA Logistics
Tesco
Sainsbury
Johnson dry cleaners

I hope everyone has a great day and look forward to doing all this again next year. Merry Christmas and Happy New year to all from Keyingham Village Hall Committee.

Keyingham Christmas Lights

Just to say thank you to everyone who lit the trees and decorations on and around their premises over Christmas and new year. , to light up the village and to remind people there is a small fund, if you wish to apply for a nominal amount to help towards costs and to remind people also if they wish to make a donation to the fund.....please email.... keyinghamchristmaslights@gmail.com

Regards Dorne Barratt

The Parish Council wishes to thank everyone who helped to put up and decorate the trees.

Parish Council Notice Board

The wooden notice board – which stood in the memorial garden in front of the Methodist Chapel was removed in December as it had become unrepairable. A new Parish Council notice board will soon be sited on the wall of the Village Hall facing Station Road.

Keyingham Primary School Student Council

On Friday 12th January Graham Stuart MP, Minister of State (Department for Energy Security and Net Zero). visited Keyingham Primary School to ‘cut the ribbon’ on the bench which pupils chose to commemorate the coronation of King Charles III, as part of their ‘Green Spaces’ Project.

Cemetery

A bout of exceptionally wet weather has delayed the start of works to extend the width of the path which crosses from north to south before the ‘extension.’ Work will commence as soon as possible.

Allotments

Calling all allotment gardeners – rents for the forthcoming year will be due at the end of February.

Opportunities to pay *in person* include sessions in the Rainbow Room on the following dates:

Wednesday 14th February 10.00 – 12.00

Wednesday 21st February 10.00 - 12.00

All current allotment holders will receive a reminder with details of payment methods/options.

A small number of vacant plots are still available – if interested please contact Cllr Ray Lawton or the Parish Clerk.

Boyes Lane Recreation Ground

In the ‘quiet’ period between Christmas and New Year the Trustees of the Boyes Lane Recreation Ground were busy planting a further 10 apple Trees and 5 other native tree varieties to add to the existing planting.

Trustees are in discussion with the School, Scouts, Guides and youth groups to plan Easter activities on the recreation ground (please see the PC website and next issue of the Forward for more details as plans progress).

Local Council Elections

Following a co-option and a resignation there is still 1 vacancy now remaining on the Parish Council. Anyone who may be interested in becoming a councillor please contact the Parish Clerk.

Parish Council Meetings

The next scheduled meeting of the PC is 7.00pm on Tuesday 20th February 2024 in Keyingham Village Hall (Main Hall)

Public participation is always welcome.

The confirmed minutes of Parish Council meetings are posted on the PC website: keyinghamparishcouncil.eastriding.gov.uk

Flying Start to the New Year for Keyingham Primary School Student Council

In a visit to the School on 12th January Graham Stuart MP assists members of the Student Council to ‘cut the ribbon’ marking the official opening of the bench chosen by pupils to commemorate the coronation of King Charles III. The bench forms part of the Student Council’s ‘Green Spaces’ project, to enhance outdoor spaces in and around the school. Pictured (right) a member of the school council digs the footings for the concrete pads to site the bench in public garden in front of the school. When completed the bench will carry a dedication plaque designed by the Student Council. Special thanks to Councillor Ricky Hoggard for his help laying the concrete.

Members of the Student Council explained their project to Mr Stuart, who asked questions about their work to support the local environment, encourage wildlife and enhance their natural surroundings, inside and outside school, in shared public spaces as well as having a direct impact on learning inside the school grounds. Afterwards Graham addressed an assembly of all pupils answering questions and explaining the importance of democracy. Mr Stuart was very impressed by the understanding and commitment of the pupils at Keyingham Primary School to environmental issues. Congratulations to KPS Student Council for hosting such a successful event!
