

KEYINGHAM PARISH COUNCIL

FORWARD

December 2022 - January 2023 No 86 By Villagers for villagers

KEYINGHAM VILLAGE PLAN STEERING COMMITTEE

Seasons Greetings

From
Keyingham Parish Council

Parish Council 'Round-up' October November

Road Safety in Keyingham

Following on from the vote to accept the proposal for improvements to the Road Crossing, Parish Councillors considered the proposals for the Safety signage to the east and west of the village where the village boundary transects the Main A1033 Hull to Withernsea Road. The next stage in this part of the overall project will be to hold a site meeting with ERYC Traffic Management Officers to agree the positioning of the signs. A meeting was scheduled for 23rd November but was unfortunately cancelled due to illness and will be rearranged as soon as possible. ERYC Traffic Management and Planning Teams have pledged their support in helping to agree the most suitable positions for the signs at each end of the village and will also oversee the works for putting them in place.

Antisocial Behaviour on the Village Green and Saltaugh Road Playing Field.

Applications for funding to follow up on the recommendations made by the ERYC Antisocial Behaviour Officer have now been submitted and we are awaiting the

outcome of the bidding round. If successful the Parish Council will focus the funding on additional lighting, CCTV cameras and other deterrents.

Keep an eye on the PC website for updates.

Remembrance Sunday "Lest We Forget"

Thank you to everyone who joined in the Service of Remembrance at St Nicholas Church followed by the laying of wreathes, tributes and prayers for peace in the Church Grounds. Once wreathes were laid on behalf of each of the Armed Services, The Royal British Legion, The Lord Lieutenant of Holderness, The Parish Council, The Church, Keyingham Guides, The Vintage Machinery Club and a number of personal tributes in memory of those whose lives were lost in theatres of war as well as whose lives were changed by injury or illness. A Trumpeter played the last post, the union flag was lowered, and two minutes silence was observed at 11.00 to quietly remember and give thanks for their service and for our lives lived in peace.

Repairs to the Play Equipment Saltaugh Road Amenity Area.

Following the Play Inspection Company's assessment of the to playing fields on Saltaugh and Eastfield Roads tenders were sought for repairs and the contract awarded. The programme of repairs and replacement is almost complete and all the pieces of equipment that were highlighted as requiring attention will be 'brought up to scratch' by the beginning of December.

Keyingham Village Hall

Over the past few months, the Village Hall Committee have been meeting frequently to consider how best to ensure the future financial viability of the hall. Whilst the Village Hall is independent of the Parish Council the Parish Council recognises the need to maintain a community hall as an asset for use by the residents of Keyingham.

Following on from two lockdowns and subsequent changes in the patterns of use, the hall has suffered reduced income and needs to consider ways to engage new user groups. As part of this overall picture the Parish Council is investigating ways to provide support which include bidding for funds to carry out repairs.

Boyes Lane Recreation Ground Charity

Councillors, Trustees and Working Group Members are moving ahead with plans to establish areas of 'wildflower meadow' and by sowing yellow rattle to help create the right environment for the wildflower seeds to germinate. The creation of a 'Bog Garden' to encourage frogs, newts and dragonflies is underway and wooden structures no longer in use have been removed in favour of 'green space'. At the November meeting Councillors agreed to match fund a bid for a small number of established fruit trees as the first stage in the creation of a 'Community Orchard'.

The next scheduled meeting of the PC is 7.00pm on Tuesday 20th December 2022 in Keyingham Village Hall (Main Hall)

Public participation is always welcome.

The confirmed minutes of Parish Council meetings are posted on the PC website:

New Keyingham Primary School Council

Keyingham Primary School

Introducing the New Student Council 2023/24

This year we are focussing on **'The Journey to Green'** this will include **'Green Spaces'** the outdoor spaces in and around our school, our homes or anywhere that learning can take place in nature.

Looking after our outdoor spaces, making them more attractive to people and to wildlife will be one of the themes of our project to turn the grassed area at the front of our school into a beautiful public space for everyone to enjoy.

In February a Group of us will be making a presentation to the Keyingham Parish Council ask for help to redesign the Green Space at the front of the School.

In our own words the journey to Green Spaces is about...

"Improving the environment as much as we can"

"Planting trees to increase the oxygen in the atmosphere"

"Building homes for animals and birds"

"Learning from nature"

Green Values

At our school we have chosen a set of values which help us to get the best from our time here, to learn together...

Our Values are:

KINDNESS

COURAGE

CURIOSITY

RESPECT

and

BEHAVIOUR

Behaviour is the way we show what 'Kindness', 'Courage', 'Curiosity' and 'Respect' *look like* so we can recognise them in ourselves and in others. Behaviour is the way that we as a School Council can model the values – by the things we do, the way we behave.

In our journey to 'Green Values' carefully consider how each of the values is working in our class groups and score them using a colour-coded smiley, flashcard or moving to stand on coloured spaces. This helps us to see how we are doing or plan how to make changes if we need to.

In January some of us will be presenting our 'Green Values' at a pupil conference at the University of Hull.

In our own words 'Journey to Green Values' is about...

"Trying to move our School to a better place"

"Trying our best to encourage everybody to be fair and kind to one another"

"Improve areas we are not so good at in our classes"

"Looking after each other and being Kind"

We will provide regular updates on our progress of our projects in the Forward Magazine and on the school website.

A Big Thank you

Now is the time of the year when we can reflect on what has happened over the previous twelve months.

It is a good time to thank all those people who have made the village a better place to live.

- So thank you to the people who give up their time to ensure that planters filled with colourful flowers and place around the village and in the cemetery.
- The volunteers that ensure the you receive the Forward. We can always do with more volunteers. If you are interested in volunteering then contact the Chairman, David Clarke.
- The people who give up their time to help on the Boyes Lane Field and the

Saltaugh Playing Field.

- The people who give up their time to help in the Village Hall and St Nicholas Church.
- The volunteers who have put up the Christmas trees in the village and those who light them up.

Finally thank you for reading the Forward. Remember that you can send information to be included in the next issue of the Forward.

**THE VILLAGER ALWAYS
NEEDS MORE VOLUNTEERS**

Local Information from Police website

Information was received by the council that fly tipping of horse manure on the verge of Boyes Lane. This information was forwarded to East Riding of Yorkshire Council.

The following information was received from the ERYC.

The verge forms part of the public highway and so I have sent it for consideration of collection by our environmental services team. In relation to something like this, I am unlikely to be able to find evidence of who the person responsible is. Something like this would most likely be done by someone who lives locally so it may be worth putting something in the village newsletter advising that this behaviour is illegal and if anyone has any information to contact

streetscene.enforcement@eastriding.gov.uk or to call 01482 393939 or crime stoppers. They can remain anonymous if they wish but it may just help with the investigation, and it might be enough to dissuade it in the future.

Lest we Forget

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.
