

KEYINGHAM PARISH COUNCIL

# FORWARD

April/May 2025 No 100

This is the 100 edition of the Forward Magazine. I would like to thank all the parishioners who have provided information for me to include in your bimonthly newsletter.

As you will see from the information included inside this issue Keyingham is a vibrant village with many events taking place, however these events don't just happen. The work involved in organising events is undertaken by a few dedicated parishioners.

To ensure that parishioners have a village, which is pleasant and dynamic place to live, requires your support.

This support can take many forms:

- Become a councillor.
- Help organise events.
- Provide new ideas for new village activities and help implement them.
- Take part in existing events and activities.
- Volunteer to help in keeping the village a great place to live.

There are over 2,500 residents in Keyingham. It is your village and the 'Village' requires your support.

Congratulations on the 100th edition of the magazine.

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.

Copy for the June-July issue should be sent before May 14<sup>th</sup> to Mel Smith, 48 Ebor Manor or email [Mel.Smith@Moorland.Karoo.co.uk](mailto:Mel.Smith@Moorland.Karoo.co.uk) (please put FORWARD as the subject). While every effort is made to ensure accuracy/timings in this newsletter no responsibility can be made for any mistakes, omissions or mis-information.

# Parish Council Round Up March 2025

## Keyingham Village Hall

Repairs and renovations are now nearing completion, and the hall is looking and clean and fresh in its spring colours and ready to host a series of planned events in the lead up to Easter. A very successful pre-loved clothing sale took place in March, an Easter coffee morning is planned for 9<sup>th</sup> April and an Easter Egg Hunt, in collaboration with the Boyes Lane Recreation Ground, will take place on 19<sup>th</sup> April.

\*\*\*

## Ward Councillors Update

In a regular slot of providing an update from the South-East Holderness Ward, Cllr Sean McMaster offered an update on matters affecting the Parish of Keyingham. The update includes feedback on issues affecting Keyingham directly and those which impact the wider Holderness Area. This useful link with the ERYC offers the opportunity to seek clarification on issues affecting Keyingham residents and to seek support for actions and improvements.

The update in March included confirmation that the work to widen the footpath along Saltaugh Road has been entered into the ERYC's schedule of works for the new financial year.

Deputy Police and Crime Commissioner, Cllr Leo Hammond, will be in attendance at the April meeting of the Parish Council to respond to questions on Road Safety. At this meeting Parish Councillors will be exploring

the opportunity to participate in the 'Auto Speed Watch' Trial along the A1033 as it passes through Keyingham.

\*\*\*

## Methodist Chapel

Possibilities for the future use of the former Chapel have been the topic of discussion at the February and March meetings. In February Council members discussed how it may support a group of residents who had expressed an interest in raising funds to secure the building for use as a community facility. In March, the council received proposals in 'public participation' from a local family who were interested to purchase the building and adjacent cottage, with plans to create 4 dwellings.

Further updates will be shared as they become available.

\*\*\*

## Holderness Vikings 'Brick in the Wall Project'

To help with the funding of the New Clubhouse and canteen building the Vikings are offering a brick in the wall sponsorship. 'Bricks' are priced at three levels and will bear the name of the sponsor, showing their support for young people enjoying rugby. For details of the project and how you can get involved visit the PC website and click on 'Clubs & Societies'

\*\*\*

## Planning

In January we reported that land formerly occupied by Village Nurseries

had been granted strategic planning approval. The development, which is now known as 'Mill View' has entered the demolition stage for removal of the existing buildings. Representatives of Gleeson Ltd, the developers, attended the Parish Council meeting in February. They responded to questions, shared site plans and offered opportunities for community engagement.

Councillors asked probing questions regarding proposals for drainage, including rainwater, 'grey' water and sewerage and received explanations of the plans in each case.

Parking spaces; road access and road safety were also discussed in detail. The provision of a light-controlled road crossing and its precise location on the A1033 is the subject of ongoing discussions. Councillors considered the point of the school crossing patrol to be an optimum location. (A full account of the discussion can be found in the Minutes February Meeting of the Parish Council.)

[https://](https://keyinghamparishcouncil.eastriding.gov.uk/minutes.aspx)

[keyinghamparishcouncil.eastriding.gov.uk/minutes.aspx](https://keyinghamparishcouncil.eastriding.gov.uk/minutes.aspx)

Updates will be provided via the PC website as the development progresses and aspects of progress will be the subject of discussion at council meetings throughout the duration of the build.

A joint project between Gleesons, Keyingham Parish Council, Keyingham Primary School Student Council and ERYC street; is ongoing to provide the names for the roads on the new development. Each year group at the Primary School will be in-

volved in choosing names for this important development and will be presenting their proposals at a Parish Council meeting in late spring/summer.

\*\*\*

### **'Haxby Heritage Trail'**

At the February meeting the Parish Councillors were delighted to hear that the last batch of blue plaques had been commissioned and delivery was imminent. Once the trail is fully completed and 'active' the 'Rosalie Haxby' plaque will show a QR code which, when scanned will activate a link to the trail information, allowing people to follow the trail and access information describing each location and its history. A huge thank you goes to Sarah Smith and all members of the group for completing this great project.

'Discovery walks' are planned with pupils from the School as soon as the trail links are active and the weather is a bit warmer!

\*\*\*

### **Replacement of Missing Trees**

At the February meeting, prompted by a resident request, Councillors discussed the opportunity to replace trees which had, over time been lost from the verge at the western side of Church Lane. It was agreed to consult with residents of Church Lane and ERYC with the view to replacement in the spring.

\*\*\*

### **Dog Exercise Area**

We have recently received feedback from residents that the Dog Exercise Area on Eastfield Road is regularly being used by commercial dog walk-

ing companies and that this is causing issues for residents and other users. At the March meeting councillors agreed new signage prohibiting commercial use. The sign will also reinforce accompanying dogs within the facility, requiring the users to keep their dogs under control at all times and 'picking up' after their dogs. On a positive note the Council were pleased to take up an offer to improve the bench seat inside the dog area. This is also a good opportunity to thank everyone who uses the facility respectfully and responsibly. The new signage should be in place by the end of April and will apply to Eastfield Road Dog Exercise Area and the Boyes Lane Recreation Ground.

\*\*\*

## **VE VJ Day Commemoration**

In March we received confirmation that the PC had been successful in bidding for funds to commemorate the 80<sup>th</sup> Anniversary of VE / VJ day. In a similar way to last year's commemorative events there will be a series of activities in the village on 8<sup>th</sup> May, offering everyone the opportunity to be involved. A Commemorative Flag will be raised in the Village Green at 09.00am. St Nicholas Church will be open and serving refreshments until 10.30am. An Indoor Street Party will take place in the Village Hall at 2.00- 4.00pm. Food will be available and you are encouraged to bring along food to share. Entertainment will be provided by Holderness Performing Arts. A service to give thanks for peace at St Nicholas Church 6.30pm. The Service will be attended by Keyingham Scouts who will 'Ring out the Bells for Peace' and once again refresh-

ments will be available afterwards! Everyone is welcome to join in each of the events. (see page 6)

\*\*\*

## **Councillor Vacancy**

There is still a vacancy on the Parish Council. All eligible individuals are welcomed, and public participation is seen as a valuable contribution to help shape direction and decision-making in the best interests of the village as a whole. The Parish Council would especially welcome interest from individuals involved with youth groups and activities in Keyingham. The Parish Council now has a membership of individuals with a wide range of backgrounds and skill sets including Education, Construction, Transport, Law, Leisure, Local Government and Business many of whom continue to work within local companies who support the rural economy. If you think you may be interested and would like a clearer understanding of the business of the Parish Council please consider coming along to a meeting as an observer or contact the Clerk for an informal chat with no obligation.

\*\*\*

## **Parish Council Meetings**

The next scheduled meeting of the PC is [7.00pm on Tuesday 15<sup>th</sup> April 2025 in Keyingham Village Hall \(Main Hall\)](#)

**Public participation is always welcome.**

\*\*\*

The confirmed minutes of Parish Council meetings are posted on the PC website:
