June/July No 101

KEYINGHAM VILLAGE PLAN STEERING COMMITTEE

Volunteers required for help to save trees on Boyes Lane Recreation Ground

We are in urgent need of volunteers to help water newly planted sapling trees for 12 weeks starting from the beginning of June, through June, July to the end of August. Ideally we would like to create a watering rota for two hours twice a week in in dry spells to give the trees the best chance of survival.
If you can spare a couple of hours to help with watering once a week at a time to suit you, please contact Ricky Hoggard by email: rickyhoggard13@gmail.com

Parish Council Round Up May 2025

ERYC
Ward Councillors Update

Deputy Police and Crime Commissioner, Cllr Leo Hammond, attended the April meeting of the Parish Council to update Councillors on developments and opportunities of funding to improve Road Safety and the safety of individuals in communities across the Holderness Region.

Cllr Hammond explained that Humberside Police now employ 2,300 Police Officers and 58 PCSO, the highest figure of deployed officers to date. There has been an increase in awareness and subsequent reporting of 'crimes against the person' including domestic abuse.

Cllr Hammond described the key focus for policing being 'Prevention and Support' - crime prevention and support for the victims of crime.

Councillors were interested to learn about the 'Auto Speed Watch' Scheme which detects not only the speed vehicles are travelling at, but also 'spots' untaxed vehicles and HGV over permitted laden weight.

Speed Indicator Devices (SIDS) were also discussed alongside the availability of new roadside speed monitoring and recording devices which offer the additional capability to record infringements and issue warning letters culminating in fines for repeat offences.

The cost of the devises is £750.00 per camera with 50% funding available for Parishes.

Cllr Hammond explained 'Operation Snap' spotting dangerous driving, not necessarily speeding, but also 'driving without due care and attention' type offences.

Cllr Hammond also explained that dashcams and doorbell cameras (over- looking the highway) were being provided free of charge on agreement to share/ upload footage.

The legal position regarding the use of electric bikes on highways and walkways in towns and parishes was clarified.

Councillors learned that Public Spaces Protection Order (PSPO) can be applied for, banning electric bikes from city/town centres and that drones are used to enforce them in a similar way to their use in rural areas for crimes such as Hare Coursing.

***

Mill View Street Naming Project.

As the Mill View development proceeds through the stages of demolition and enablement works, Keyingham Primary School Student Council are preparing to share the outcomes of their 'Street Naming' project undertaken in partnership with Keyingham Parish Council and Gleesons.

Representatives of the Student Council will attend the June Meeting of the Parish Council to present the outcomes of the project and reveal the winning names voted for by the School pupils.

Anyone who would like to hear about the project 'first hand' is welcome to join the public participation section of the meeting, commencing at 6.30 on 17th June - when the winning names will be revealed.

***

Replacement of Missing Trees on Church Lane

After seeking views form residents and receiving their responses, the Parish Council resolved to replace the two or three missing trees as soon as trees of the same species, type and maturity became available, and the weather conditions were favourable. It is likely that planting will take place in the autumn or as soon as the drier summer weather has passed.

***

80th Anniversary of VE Day A Day of Community Event

On the 8th of May people came together to commemorate the 80th Anniversary of VE day. Starting the day by raising the flag on the Village Green, followed by the laying of a wreath on the War Memorial. St Nicholas Church provided morning coffee and the opportunity to view displays inside the church. In the afternoon a wonderful wartime themed indoor Street Party was held in the Village Hall with traditional fare – including potted meat sandwiches and the usual selection of delicious cakes.

A service to give thanks for peace was held at St Nicholas Church 6.30pm. It was well attended and participants enjoyed readings and presentations by members of the Parish Council, Student Council and Keyingham residents.

'Ringing out the Bells for Peace' at the beginning and end of the service was brilliantly done by Keyingham Cubs and pupils of the Primary School.

The readings shared at the Service, including articles from VE Day Newspapers and family memoirs can be found on the PC website. More information will be placed on the parish website. Lovely refreshments were very much the order of the day, Keyingham commemorated together and gave thanks for peace.

The fabulous photographs, taken throughout the day – of which there are many – show just what a great event this was, with adults dressed as Land Army, uniformed services and children dressed as evacuees. The Village Hall Committee worked hard to deliver the brilliant indoor street party and the Churchwardens and members of St Nicholas Church delivered wonderful community-led service.

The Parish Council would like to thank everyone who contributed to making the 80th Anniversary of VE day in Keyingham such an inclusive event.

Boyes Lane Recreation Ground Charity AGM

On 8th May The Trustees of the Boyes Lane Recreation Ground Charity held its AGM.

The Chairman reported a high level of success with newly planted trees, most of which were thriving well, thanks to the constant programme of watering. The picnic tables, recently added, were being well used, particularly by walking groups who use the recreation ground as a stopping-off point for lunch.

Key issues arising from the meeting were the urgent need for volunteers to assist with watering of newly planted trees and the successful bid to Dogger Bank Wind Farm Fund for £1000,00 which will be used to purchase a generator.

Trustees thanked volunteers for their support in maintaining the recreation ground and discussed ways of raising awareness of the beauty of this natural resource.

The Notes of the meeting can be read in full on The Parish Council Website. Boyes Lane

Councillor Vacancy

There is still a vacancy on the Parish Council. All eligible individuals are welcomed, and public participation is seen as a valuable contribution to help shape direction and decision-making in the best interests of the village as a whole. The Parish Council would especially welcome interest from individuals involved with youth groups and activities in Keyingham.

The Parish Council now has a membership of individuals with a wide range of backgrounds and skill sets including Education, Construction, Transport, Law, Leisure, Local

Government and Business many of whom continue to work within local companies who support the rural economy. If you think you may be interested and would like a clearer understanding of the business of the Parish Council please consider coming along to a meeting as an observer or contact the Clerk for an informal chat with no obligation.

***

Parish Council Meetings
In May there will be three meetings which will run concurrently.

***

The Annual Parish Meeting 27th May at 6.45pm
The single purpose of this meeting is for residents of Keyingham to raise any issues affecting the Parish.

***

The Annual General Meeting of Keyingham Parish Council is on 27th May at 7.00pm. The AGM is for the election of officers and has a separate agenda.

***

The next ordinary meeting of the PC is 7.00pm on Tuesday 27th May 2025 in Keyingham Village Hall (Main Hall)

This meeting will follow on immediately on the conclusion of the AGM.
The confirmed minutes of Parish Council meetings are posted on the PC website:
