By Villagers for villagers

KEYINGHAM VILLAGE PLAN STEERING COMMITTEE

SEASON'S GREETINGS
FROM KEYINGHAM
PARISH COUNCIL

Parish Council 'Round-up'

October – December 2024 Road Safety in Keyingham

The final stage of the works to improve road safety in the centre of the village, the siting of the CCTV cameras was completed in the autumn and CCTV monitoring is now active in all three locations. Humberside Police can access the data captured and have recently established a protocol for obtaining recordings to assist in crime detection and prevention. The Parish Council, in partnership with Keyingham School, applied to ERYC for an extension of the 20mph zone as part of a pilot initiative to investigate the impact of reducing speed limits. The list of locations was recently published and unfortunately Keyingham was not selected for the trial. The opportunity afforded by 'school streets' parking and access restrictions was also investigated however it was agreed that it would not be possible to apply the restrictions in Keyingham because of the resident's requirements for access to and from Russell Drive throughout the day and closing it to traffic at school start and finish times would be unmanageable.

Civic Service

Keyingham and Ottringham Parish Councils, in partnership with Keyingham Primary School Student Council, hosted a special Civic Service in St Nicholas Church, Keyingham on 13th October led by Rev. Simon Clark. The Service was attended by Councillors and residents of both Parishes and guests from neighbouring towns and Parishes. Members of Keyingham Primary School Student Council offered a warm welcome at the start of the Ser-

vice and helped with refreshments afterwards. The service was attended by Keyingham Scouts who also participated in making the event, which was themed around Service to our Community, so special for everyone. A big thankyou to everyone one involved!

Remembrance Sunday Service

The Remembrance Day service held in St Nicholas Church, on 10th November, led by Rev. Janice Sharp. In attendance were Standard Bearers from the Royal British Legion, Keyingham Scouts and Guides, Ward Cllr Sean McMaster and representatives of Keyingham Parish Council. Readings were offered by Chairman Cllr David Clark and Vice Chairman Cllr Melvyn Smith. Two minutes Silence were observed in the church Grounds at 11.00am followed by the laying of wreathes on behalf of all branches of the Armed Services, Civic and Civilian organisations and Youth organisations including Keyingham Primary School, Keyingham Guides and Scouts. Thank you to the Churchwardens of St Nicholas Church and to everyone who participated in this annual service of remembrance.

Keyingham Village Hall

Thanks to committee members and volunteers the Village Hall recent improvements include new fire alarms and evacuation procedures. An Electronic Notice Board has been added to the window looking out onto Station Road with up-to-date information on planned events and activities. Renovations to the outside of the building and new additions to the Christmas light displays have helped

give the hall a really smart and festive look.

Keyingham Village Green – Christmas Lights

Arriving the week before the Christmas Lights Switch-On; the beautiful tree arrived at the end of November and was installed and dressed by officers from the Street lighting Team at ERYC. The lights were chosen by the Parish Council and the safety fencing was supplied by Premier Paving.

The electrical connection, tree, lights and installation were supported by grant funding via the 'Do it for East Yorkshire' funding stream. Grateful thanks to everyone involved in this lovely addition to Christmas festivities in Keyingham. Unfortunately, only one day after the 'switch on' we experienced unusually high winds which resulted in the tree being blown over. Everyone is hopeful that the tree can soon be restored so that we can continue to enjoy it in the lead up to Christmas!

Boyes Lane Recreation Ground

At the Trustees meeting in November, members welcomed the two staff including the Assistant Headteacher from Oakfield School as the first stage in a new partnership with the School. Oakfield pupils will be helping with grounds maintenance on the Recreation Ground on Wednesdays each week from November.

Planning

The Parish Council were recently notified of an appeal against the decision by ERYC Planning Department

to refuse planning permission for a proposed development of 16 affordable homes on land bordering Church Lane. Parish Council members considered the appeal statement and submitted a written response to the independent appeal panel. A copy of the written submission can be viewed via the Parish Council website.

Councillor Vacancy

Due to the resignation of one member, there is one vacancy on Keyingham Parish Council. If you are interested in the possibility of becoming a Parish Councillor in Keyingham please contact the Clerk in the first instance.

On behalf of the Chairman and members of Keyingham Parish Council we wish you all a Happy Christmas and our very best wishes for 2025.

Parish Council Meetings

The next scheduled meeting of the PC is 7.00pm on Tuesday 10th December 2024 in Keyingham Village Hall (Main Hall)

Public participation is always welcome.

The first meeting of the New Year will be on 21st January 2025.

Ideas for future events and developments within the village are always considered by the Parish Council. Remember that it is more useful to suggest solutions and ideas than complain about what has or has not happened in the village.

Please keep me informed of up and coming events so that I can include details in the magazine.

Copy for the February-March issue should be sent before January 14th to Mel Smith, 48 Ebor Manor or email

Melvyn_p_smith@outlook.com (please put FORWARD as the subject). While every effort is made to ensure accuracy/timings in this newsletter no responsibility can be made for any mistakes, omissions or misinformation.
